The Honorable Gregory M. Sleet
United States District Court
844 North King Street
Wilmington, DE 19801

Re: *Smith Kline & French Laboratories Limited and Smithkline Beecham Corporation d/b/a GlaxoSmithKline v. Teva Pharmaceuticals U.S.A., Inc., Civil Action No. 05-197-GMS*

Dear Judge Sleet:

Defendant Teva Pharmaceuticals USA, Inc. ("Teva"), today filed a corrected copy of its June 28, 2006 Brief In Support of Motion for Leave to Amend its Answer, Defenses, and Counterclaims (D.I. 74). Teva also filed corresponding corrections to (1) its Motion for Leave to Amend its Answer, Defenses and Counterclaims ("Motion for Leave to Amend") (D.I. 73) and the First Amended Answer, Defenses and Counterclaims attached thereto and (2) the Declaration and attached Exhibits filed in support of Teva's Motion for Leave to Amend (D.I. 75).

Promptly after becoming aware of the need to make such corrections, counsel for Teva notified Plaintiffs' counsel on Friday July 7, 2006 that Teva would be correcting the aforementioned filings. Teva has also informed Plaintiffs' counsel that Teva would have no objection to any request by them for an extension of time to respond to Teva's Motion for Leave to Amend.

The corrections at issue relate to two matters. *First*, Teva has corrected a factual assertion concerning the involvement of the inventor of one of the patents-in-suit in authoring a published article that was prior art to the patent. Teva's Brief and its First Amended Answer,

YOUNG CONAWAY STARGATT & TAYLOR, LLP

The Honorable Gregory M. Sleet

July 10, 2006

Page 2

Defenses and Counterclaims have been corrected to assert that the inventor was aware of the published article, as opposed to asserting that he co-authored the article, and they have been modified to specify the timing of a particular event regarding the prosecution of the foreign counterpart to one of the patents-in-suit. *Second*, Teva has corrected clerical errors in its Brief and in its Declaration and attached Exhibits by correcting citations to exhibits and by including missing exhibit pages.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Monté T. Squire', with a stylized flourish at the end.

Monté T. Squire (No. 4764)
